

Customer Digital Approval

Feature Test Procedures — Tester's Copy

System: D1 Imports CRM (redlined1.com) | Feature: Customer Approval via Share Link | Date: June 2026

ROLES: Ø<Bê SHOP = actions taken inside the CRM (logged-in owner/staff) | Ø=Üñ CUSTOMER = actions on the public share link (no login) | Ø=Ý VERIFY = check the result in both views

PREREQUISITE: Run SQL migration before testing — ALTER TABLE inspections ADD COLUMN IF NOT EXISTS customer_approval_JSONB;

SECTION 1 — Setup: Create a Testable Inspection

Must have at least 1 Fail or Attention item

1.1 Log In & Create Inspection

1	Ø<Bê SHOP ACTION Log in as Owner at redlined1.com. Navigate to Inspections !' click "+ New DVI".	EXPECTED New DVI form opens. Inspection number auto-assigned (e.g. DVI-0001).	☐
2	Ø<Bê SHOP ACTION Fill in: Customer Name = "Test Customer", Vehicle = "2020 Toyota Camry", Customer Email = your test email.	EXPECTED Fields accept input. No validation errors.	☐
3	Ø<Bê SHOP ACTION In the checklist, set Front brake pads !' Fail, add note "Metal on metal".	EXPECTED Button highlights red. Notes field appears and accepts text.	☐
4	Ø<Bê SHOP ACTION Set Rear brake pads !' Attention, add note "~2mm remaining".	EXPECTED Button highlights orange. Notes field appears.	☐
5	Ø<Bê SHOP ACTION Set all remaining items !' Pass or N/A.	EXPECTED Checklist fully filled. No items left unset.	☐
6	Ø<Bê SHOP ACTION Click "Create Inspection".	EXPECTED Form closes. New inspection appears in list with status "In Progress". Detail panel shows 1 Fail, 1 Attention badges.	☐

SECTION 2 — Generate Share Link

Shop sends link to customer

2.1 Generate & Copy Link

7	Ø<Bê SHOP ACTION With the inspection selected, click "Ø=Ý Share Link" in the action bar.	EXPECTED Button shows "..." briefly. A purple URL bar appears below the action bar showing the full share URL.	☐
8	Ø=Ý VERIFY ACTION Verify the URL format in the purple bar.	EXPECTED URL matches pattern: https://redlined1.com/inspection/[32-character-token]	☐
9	Ø<Bê SHOP ACTION Click the "Copy" button in the URL bar.	EXPECTED Button changes to "" Copied!" for 3 seconds. URL is copied to clipboard.	☐
10	Ø=Ý VERIFY ACTION Click "Ø=Ý Share Link" a second time on the same inspection	EXPECTED Same URL returned — no new token generated. Existing link reused.	☐
& Token is permanent once created. Customer can reopen the same link anytime.			

SECTION 3 — Customer Views the Share Page

Open link on phone or incognito browser

3.1 Public Page Load

11	Ø=Üñ CUSTOMER ACTION Paste the share URL into a new browser tab or incognito window (simulates customer phone). & Test in incognito to confirm no session cookie is used.	EXPECTED Page loads WITHOUT any login prompt. Shows shop logo/name in red header bar.	☐
12	Ø=Üñ CUSTOMER ACTION Verify the inspection info card at the top of the page.	EXPECTED Shows: Inspection number, customer name, vehicle, date, and technician name correctly.	☐
13	Ø=Üñ CUSTOMER ACTION Check the 3 summary badges (Fail / Attention / Pass).	EXPECTED Fail = 1 (red), Attention = 1 (orange), Pass count matches items set to Pass. Numbers are correct.	☐

3.2 Action Required Card

14	Ø=Üñ CUSTOMER ACTION Observe the red-bordered "& p Action Required" card below the summary badges.	EXPECTED Card is visible. Heading reads "Action Required". Short description tells customer to review and approve/decline each repair.	☐
15	Ø=Üñ CUSTOMER ACTION Verify only Fail and Attention items appear in the approval card (not Pass or N/A items).	EXPECTED Exactly 2 items shown: "Front brake pads" (Fail) and "Rear brake pads" (Attention). Pass items not listed.	☐
16	Ø=Üñ CUSTOMER ACTION Check each item card shows: item name, status label (colour-coded), technician notes, and photo if uploaded.	EXPECTED Front brake pads shows red "FAIL" label and note "Metal on metal". Rear shows orange "ATTENTION" and note "~2mm remaining"	☐
17	Ø=Üñ CUSTOMER ACTION Confirm each item has two buttons: "" Approve Repair" and "" Not Now".	EXPECTED Both buttons visible per item. No button is pre-selected (neither highlighted).	☐

SECTION 4 — Customer Makes Decisions (Per Item)

Test all 3 decision scenarios

4.1 Approve All

18	Ø=Üñ CUSTOMER ACTION Click "" Approve Repair" on Front brake pads.	EXPECTED Button turns solid green. Card background shifts to light green. "" Not Now" deselects.	☐
19	Ø=Üñ CUSTOMER ACTION Click "" Approve Repair" on Rear brake pads.	EXPECTED Same green highlight. Both items now approved.	☐
20	Ø=Üñ CUSTOMER ACTION Enter "John Smith" in the "Your Full Name" field.	EXPECTED Text appears in the serif font field. Label reads "(serves as your digital signature)".	☐
21	Ø=Üñ CUSTOMER ACTION Optionally type a message: "Please call me before starting."	EXPECTED Message textarea accepts input.	☐
22	Ø=Üñ CUSTOMER ACTION Click "Submit My Decision !".	EXPECTED Button shows "Submitting..." briefly. Page transitions to a green confirmation banner showing: "" All repairs approved "", signer name "John Smith", timestamp, and list of approved items.	☐

4.2 Verify Confirmation State

23	Ø=Üñ CUSTOMER ACTION Reload the share URL in the browser. <i>& Reloading must not allow re-submission.</i>	EXPECTED Confirmation banner still shown — not the approval form. Page remembers the decision was already submitted. <input data-bbox="1426 203 1458 237" type="checkbox"/>
24	Ø=Üñ CUSTOMER ACTION Attempt to submit again by reloading and looking for the form.	EXPECTED Approval form is gone. Only the confirmation banner with the original signer and timestamp is shown. <input data-bbox="1426 353 1458 387" type="checkbox"/>

4.3 Partial Approval (New Inspection Required)

25	Ø<Bê SHOP ACTION Back in CRM: create a second test inspection (DVI-0002) with at least 2 Fail/Attention items. Generate its share link.	EXPECTED New share link generated. Copy to clipboard.	☐
26	Ø=Ûñ CUSTOMER ACTION Open the new share link. Click "" Approve Repair" on item 1. Click "" Not Now" on item 2.	EXPECTED Item 1 card turns green. Item 2 card turns red. Both have clear visual state.	☐
27	Ø=Ûñ CUSTOMER ACTION Enter name "Jane Doe" and submit.	EXPECTED Confirmation shows: "&j Some repairs approved" in orange. Approved items listed in green. Declined items listed in red.	☐

4.4 Decline All (New Inspection Required)

28	Ø<Bê SHOP ACTION Create a third test inspection (DVI-0003). Generate its share link.	EXPECTED New share link available.	☐
29	Ø=Ûñ CUSTOMER ACTION Open link. Click "" Not Now" on ALL items. Enter name "Bob Jones" and submit.	EXPECTED Confirmation shows: "Ø=Þ« All repairs declined" in red. Signer name and timestamp recorded.	☐

4.5 Validation — Missing Name

30	Ø=Ûñ CUSTOMER ACTION Create a 4th inspection share link. Open it. Approve/decline items but leave the Name field blank. Click "Submit My Decision I"	EXPECTED Error message appears: "Please enter your name to confirm your decision." Form does NOT submit.	☐
31	Ø=Ûñ CUSTOMER ACTION Leave name filled but leave 1 item undecided (no approve or decline selected). Click submit.	EXPECTED Error: "Please approve or decline every highlighted item before submitting." Form does not submit.	☐

SECTION 5 — Shop Sees Approval in CRM

Verify the approval panel in the DVI detail view

5.1 Approve All Result (DVI-0001)

32	Ø<Bê SHOP ACTION In the CRM, navigate to Inspections. Click on DVI-0001 in the list.	EXPECTED Detail panel loads. Status in the list badge now reads "Customer Approved" in green.	☐
33	Ø=Ý VERIFY ACTION Scroll to the approval banner in the detail panel (below the summary badges).	EXPECTED Green banner shows: "" Customer Approved All Repairs". Below it: "Signed by John Smith · [date and time]".	☐
34	Ø=Ý VERIFY ACTION Verify the approved items list inside the banner.	EXPECTED "Approved:" line lists both "Front brake pads" and "Rear brake pads".	☐
35	Ø=Ý VERIFY ACTION Check if the customer message appears in the banner.	EXPECTED Italic block reads: "Please call me before starting."	☐

5.2 Partial Approval Result (DVI-0002)

36	Ø<Bê SHOP ACTION Click on DVI-0002 in the inspection list.	EXPECTED Status badge shows "Partially Approved" in orange.	☐
37	Ø=Ý VERIFY ACTION View the approval banner in the detail panel.	EXPECTED Orange banner: "&j Customer Partially Approved". Approved items in green text. Declined items in red text. Signer "Jane Doe" with timestamp.	☐

5.3 Decline All Result (DVI-0003)

38	Ø<Bê SHOP ACTION Click on DVI-0003 in the inspection list.	EXPECTED Status badge shows "Customer Declined" in red.	☐
39	Ø=Ý VERIFY ACTION View the approval banner.	EXPECTED Red banner: "Ø=Þ« Customer Declined Repairs". No approved items listed. All items shown under Declined.	☐

SECTION 6 — Status Filter & Sidebar Count

Verify new statuses integrate with existing filters

40	Ø<Bê SHOP ACTION In the Inspections list, use the Status dropdown to filter by "Customer Approved".	EXPECTED Only DVI-0001 shown.	☐
41	Ø<Bê SHOP ACTION Filter by "Partially Approved".	EXPECTED Only DVI-0002 shown.	☐
42	Ø<Bê SHOP ACTION Filter by "Customer Declined".	EXPECTED Only DVI-0003 shown.	☐
43	Ø<Bê SHOP ACTION Select "All" to reset the filter.	EXPECTED All inspections visible again.	☐
44	Ø=Ý VERIFY ACTION Check the Inspections sidebar badge count.	EXPECTED Count reflects total number of inspections across all statuses.	☐

SECTION 7 — Full Checklist Still Visible on Share Page

Approval card must not hide the rest of the report

45	Ø=Üñ CUSTOMER ACTION Open any share link that has been approved. Scroll past the confirmation banner.	EXPECTED "Full Inspection Results" section is still visible below the banner — all items grouped by category with Pass/Fail/Attention dots.	☐
46	Ø=Üñ CUSTOMER ACTION Verify items marked Pass in the CRM appear as Pass on the share page.	EXPECTED Green dot and "Pass" label shown. No approval buttons on Pass/N/A items.	☐
47	Ø=Üñ CUSTOMER ACTION Click the Print button in the red header bar.	EXPECTED Browser print dialog opens. Report layout prints cleanly — includes checklist and approval confirmation.	☐

SECTION 8 — Edge Cases

Boundary and error conditions

48	Ø=Üñ CUSTOMER ACTION Open a share link for an inspection that has NO Fail or Attention items (all Pass/N/A). <i>& Approval is only shown when actionable items exist.</i>	EXPECTED No "Action Required" card shown. Only the full results checklist visible. No approval form presented.	☐
49	Ø=Üñ CUSTOMER ACTION Try accessing a share link with an invalid/made-up token (e.g. /inspection/AAABBBCCCC).	EXPECTED Page shows error state: "Ø=Ý Inspection Not Found" message. No crash.	☐

50

VERIFY

ACTION

Generate a share link, then delete the inspection from the CRM, then open the share link.

EXPECTED

Page shows "Inspection Not Found". Deleted records not accessible via share link.
